Green Pastures

is a well-stocked independent Christian Book, Gift and Resources Shop based in the town centre of Dereham - with plenty of parking nearby - but serving Norfolk and Suffolk. Green Pastures (Dereham) a registered charity.

+

We are committed to providing churches, groups and individuals with the best in Christian resources.

+

Established now for over 20 years, we believe that Bibles, Christian books, cards, gifts and other materials form a vital part of the Church's ministry, as well as equipping people to live in the way that God intends - amid life's joys and challenges.

+

We know many people value having access to a local Christian Bookshop and so we are always looking for ways to extend the ministry of Green Pastures.

In recent years we have developed our service by taking products to events at churches and Christian groups in Norfolk and Suffolk.

We call these opportunities 'Pop-up Shops' since we provide staffed stalls where customers may browse, buy or order from a range of our stock - Bibles, books, gifts and cards.

Supporting Green Pastures

While sales provide the bulk of our Income we are so grateful for the prayerful and financial support of our Members without whom we could not operate as we do.

You can make a Difference

As a Member you can support the ministry in a number of important ways.

+

Prayer is paramount, for without God's direction and strengthening we could not continue. The staff team so value this prayerful backing and we ask God's blessing on those who visit the Dereham shop and attend the 'Pop-up shops' locally.

+

Financial support is always welcome and regular giving helps us plan forward and grow the ministry.

(see details in this leaflet or call us)

+

By using and commending Green Pastures you will also help spread the power of the Christian message.

+

It is a joy to see individuals coming to faith in Jesus and then growing in their relationship with Him. And it's such a privilege to be able to help equip churches with resources for their own ministries. Through the *Speaking Volumes* scheme, we provide Christian books to libraries in local schools, prisons and other institutions.
